I understand this is a college-project demo and not an official application.
Create Demo Application ID
No details are uploaded or sent to a server. Refreshing this page clears the demo state.
How it works
1
Fill in the form
Enter fictional details and choose an application type.
2
Review the checklist
Prepare the documents relevant to your situation.
3
Track progress
Use the generated demo ID in the tracking section.
Important: This is a front-end prototype for academic demonstration. It does not verify identity, store records, book appointments, or issue passports.
