## WEBPAGE FOR FOREIGN TRADING SYSTEM

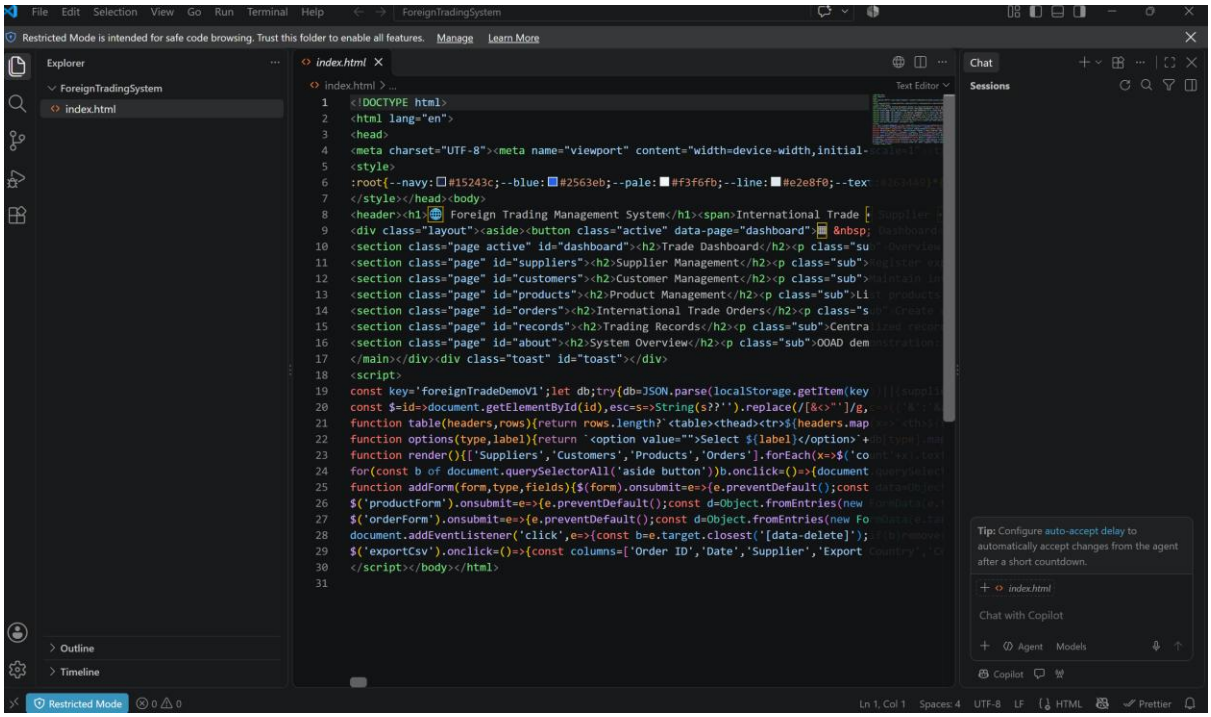

TradeBridge
Foreign Trading Management System
Dashboard
Supplier
Customer
Central Management
Trade Records
UML Workflow
International Trade, Simplified.
Manage supplier listings, cross-border orders, central verification, shipment updates, and trading records in one place.
Supplier Product Registration
Supplier / Company Name
Example: Global Exports Ltd
Supplier Country
Example: India
Product Name
Example: Cotton Fabric
Unit Price (USD)
Available Quantity
Add to Trading Catalog
Supplier Inventory
Cotton Fabric
Oceanic Textiles • India • $24.00 / unit • 120 in stock
Electronic Components
Pacific Electronics • Japan • $75.00 / unit • 65 in stock
Industrial Tools
Nordic Supplies • Germany • $150.00 / unit • 40 in stock
Powered by Netlify

TradeBridge
Foreign Trading Management System
Dashboard
Supplier
Customer
Central Management
Trade Records
UML Workflow
International Trade, Simplified.
Manage supplier listings, cross-border orders, central verification, shipment updates, and trading records in one place.
Central Trading Management
Review cross-border orders. Approval checks the product's current stock and reserves the ordered quantity. Regulatory and identity verification are not connected.
No orders submitted yet.
TradeBridge • Educational UML project • Data is saved in this browser only
